LAST WEEK:

Darts Scores:

In a clash of club titans on home turf, the much-anticipated showdown between the Servo Sinners and the up-and-coming Servo Youngbloods lit up the Hay Services Club on Thursday night. The match opened with a string of tight legs, with the Youngbloods showing early fire and promise. Their sharpshooting and team energy kept the Sinners honest in the opening rounds, but it wasn't long before experience and composure tipped the scales. Their chemistry and tenacity didn't go unnoticed, and they'll no doubt be hungry for redemption when the two teams meet again. By the end of the night, it was handshakes all round and a great display of sportsmanship from both sides. The darts were fierce, the crowd was loud, and the drinks were flowing — just another great night of competition at the Hay Services Club. Final Score: Servo Sinners 8 – Servo Youngbloods 3. Whether you're backing the old guard or the new blood, one thing's for sure — darts nights like these are alive and well in Hay.

THE HAYLAND GATHERING

On Saturday, April 12th, the Hay Services Club came alive with the sights, sounds, and soul of the Hayland Gathering — a celebration of culture, strength, and vibrant community spirit that brought locals and visitors together for an unforgettable day.

The atmosphere was electric from the very beginning, as families, friends, and festivalgoers gathered to enjoy a jam-packed program of entertainment, competition, and cultural showcases that made this year's Gathering the biggest yet.

Crowds cheered on some of the toughest athletes in the region during Highland Muscle, a thrilling display of raw strength, tradition, and grit. From stone lifting to the caber toss, these warriors showed what Highland Games are all about — with a modern twist. It was power, pride, and passion all rolled into one unforgettable spectacle.

Grace met grit as the Riverina Highland Dance Competition took the stage. Dancers of all ages stepped and twirled with precision and flair, bringing Scottish heritage to life in a beautiful display of rhythm, tradition, and talent. Kilts swirled, bagpipes sang, and the crowd couldn't get enough.

CONTINUED:

An all day long, Fair Day added a vibrant community feel, with something for everyone. Local vendors showcased crafts, fashion, delicious food, and one-of-a-kind finds. From face painting and games for the kids to delicious bites and artisan goods, it was a family-friendly feast of fun. The entertainment kept spirits high, with roving performers and live music.

And of course, no Aussie gathering is complete without a proper BBQ — expertly handled by the generous efforts of volunteers Hunter Mears, Jorian Millyard and Lloyd Brettschneider. Their sizzling sausages and perfectly grilled steaks kept everyone fueled up and happy throughout the day. A huge thanks to all of them for manning the grill.

Those who were not ready for the party to end, gathered back into the auditorium to continue the party at the Ceilidh. Learning traditional dances to a lot of traditional music, the energy was infectious. Laughter filled the room and feet stomped in time with the lively rhythms. Whether a seasoned dancer or a complete beginner, everyone joined in with enthusiasm, making it a joyful and memorable evening.

Midway through the Ceilidh, as the night fell, eyes turned upward for a grand finale worthy — fireworks display that lit up the Hay sky in a dazzling array of color and light.

The Hayland Gathering of 2025 was more than just an event — it was a celebration of strength, tradition, talent, and the tight-knit community that makes Hay so special. A huge thank you to everyone who helped bring the day to life — the performers, athletes, vendors, organizers, and every smiling face that came through the gates.

Until next year — slàinte mhath!
